

Camping en Pingo Salvaje

Laguna Sofía

 Our commitment goes beyond the experience you are about to enjoy.

Your visit contributes to the care of the land, animal welfare, and the regeneration of Patagonia's grasslands.

Our Estancia Laguna Sofia has demonstrated the results required to confirm **land regeneration** and has met the standards and protocols of Ecological Outcome Verification (EOV), Savory Institute 2026.

Estancia Laguna Sofia and Pingo Salvaje Tourism hold International Sustainability Certification

Pingo Salvaje Camping is located inside a beautiful native Ñirres, Lengas, and Calafates wood. And, it is protected from the wind. Each camping pitch is provided with a campfire, a grill for barbecues, and a restricted number of firewood supply. It also includes tables and benches. Our drinking water comes from a waterfall, which also provides energy. Therefore, it is necessary to keep in mind that sometimes the energy is not steady, because it directly depends on the weather conditions. Light is only available in restrooms and neither internet nor telephone are available (except in our office).

Capacity: - 10 pitches.
- Wood-heated showers with hot water available in the morning.
- Firewood showers.

Valor: - **Usd 20 Adult fee. No cost for children under 10 years old, except for children groups.**
- **Usd 10 per day, per person.**
- **Usd 5 Firewood (4 pieces package).**

Pingo Salvaje Camping Rules:
